## Commander's Message

**Wayne Moore**

### July 4<sup>th</sup>

The 4<sup>th</sup> of July holiday (Independence Day) rapidly approaches and the Ensign (American Flag) is flown proudly from porches, flag poles, and cars/trucks. To most its a day of merriment without the understanding of the history that belies the birth of the freedom now cherished.

To all the brethren who contributed with blood, sweat, and tears, wittingly or unwittingly, "Thank You" and enjoy the spoils of the day.

### The New Colossus

BY EMMA LAZARUS

Not like the brazen giant of Greek fame,  
With conquering limbs astride from land to land;  
Here at our sea-washed, sunset gates shall stand  
A mighty woman with a torch, whose flame  
Is the imprisoned lightning, and her name  
Mother of Exiles. From her beacon-hand  
Glow world-wide welcome; her mild eyes command  
The air-bridged harbor that twin cities frame.  
"Keep, ancient lands, your storied pomp!" cries she  
With silent lips. "Give me your tired, your poor,  
Your huddled masses yearning to breathe free,  
The wretched refuse of your teeming shore.  
Send these, the homeless, tempest-tost to me,  
I lift my lamp beside the golden door!"

## Post mortgage

The Post's \$100,000 mortgage, taken out in 2015 to expand the hall, has been **paid in full**. By over paying each month we were able to pay it off almost a year and a half early.

We plan to have a ceremonial burning, date TBD.

**CONGRATULATIONS TO PAST STATE

ACHIEVING ALL AMERICAN STATUS FOR  
2020-2021.**

**CONGRATULATIONS TO STATE

## Auxiliary President

**Mary Corkhill**

The Declaration of Independence declared our independence from British rule. It took winning the Revolutionary War, to assure the

existence and freedom of our new, fledgling country of the people, by the people and for the people. Americans come together on July 4<sup>th</sup> to celebrate the nation's birthday and Independence Day. On this day, most Americans enjoy grills in their backyards, at beaches, or in parks. Some partake in parades or marches and enjoy the fireworks that are often launched at dusk. Happy Fourth!

**Congratulations** to Joseph Bliem for placing third in the Department for his submission to the Patriotic Arts competition. A picture and his write-up are on the VFW Post 7589 website. I also wish to remind everyone of the two VFW contests for Voice of Democracy "*America: Where Do We Go From Here?*" and the Patriot's Pen "*How Can I Be A Good American?*" Deadline for both of these contests is October 31. I hope to see a lot of participation in all the contests this coming year.

This was a challenging year, and I want to congratulate the members for achieving a successful 2020-2021. At the Department Convention, we were honored to receive a certificate from National VFW in Veteran Military Services and two certificates from National Auxiliary in Legislative and Buddy Poppy/National Home for Children. At the Department level, we received certificates for: two first places; Historian and Media Relations, three second places; Hospital, Media Relations and Buddy Poppy display, three third places; Media Relations, two in Scholarship and a certificate in Youth Activities for Illustrating America. We also received certificates in the following programs: Banner (Bar), Chief of Staff (Good Job Award), Healthy VFW Auxiliary, Flag Presentation, Legislative, Membership, President's Special Project (Boulder Crest Foundation). A large "thank you" to Ellie Smith for contacting the restaurants and their assistance in our mission. On July 6<sup>th</sup>, Foster's Grille in Old Town Manassas will be holding another fundraiser for the Auxiliary. When ordering, you **MUST** present a coupon in order for the Auxiliary to receive credit from the proceeds of sales at the time of this fundraiser. Please come out and support them and the Auxiliary. Thank you in advance for your participation.

The family can be one or both parents with one or more children. Families may accomplish significant life goals by participating in their programs. The National Home offers: case management services to help families set up their plans and goals for the future, educational, recreational, and enrichment opportunities and community resources, counseling and free housing and daycare. Please become a Life Member for only \$50.

**Action Alert: Tell Congress to Support the COST of War Act and the Honoring our PACT Act!**

**Background:**

Now is the time for Congress to pass comprehensive toxic exposure legislation. Veterans from all eras have experienced an array of unexplained health conditions and illnesses associated with the toxic exposures and environmental hazards they encountered in service. The burden of proof should never be placed on veterans. Congress must create a new framework for VA to grant benefits to these veterans.

The VFW emphatically supports the COST of War Act and the Honoring our PACT Act, as they accomplish the VFW's top legislative goal of comprehensive toxic exposure reform. These bills would help millions of veterans by establishing a framework to address any exposure, foreign or domestic, past, present, and future. This legislation would help atomic veterans, Vietnam veterans, including those who served in Thailand, Cambodia, and Laos, as well as in the Middle East, Afghanistan, K2, and beyond. They would add to VA's list of presumptive conditions and provide health care for all toxic exposed veterans.

**Take Action:**

Contact your members of Congress **today** and tell them to support the COST of War Act and the Honoring our PACT Act. Congress must pass this crucially needed legislation now, veterans cannot wait any longer!

## Youth Committee Update

Lou Filippone

The Youth Committee wishes all of our membership the best and hopes your summer is both enjoyable and safe. Our committee met last on 17 June at 7:00 PM via Zoom. Comrades Alex and Tina Bliem, as well as Peter MacLeod and myself participated. This has been a pleasantly quiet month as far as youth activities are concerned. We are in between cycles of activity and will be gearing up shortly for our student essay and teacher of the year contests. We are

making our preliminary arrangements by ordering our program literature and organizing our school lists at this time. I remain very optimistic that our programs will grow again since normal school attendance is returning in the fall.

Our essay contests are Patriot's Pen and Voice of Democracy as well as the Teacher of the Year program. Both essay contests require contestants to write an essay about a patriotic theme preselected by the VFW. Patriot's Pen is open to all middle school students and has as its theme "How Can I Be a Good American?" Top prizes at National include \$5000 Voice of Democracy is a competition for all high school students. The first place winner at National is eligible for a \$30,000 college scholarship. This year's theme is "America: Where Do We Go From Here?" Our Teacher of the Year program recognizes local area teachers who demonstrate Americanism, patriotism and a sense of civics and American history through their teaching. Teachers are selected from three school levels, K-5, 6-8, and high school level. Last year Post 7589 had the distinct honor of having two of our three Department winners originate from our Post. That accomplishment is pretty much unheard of by any single Post in recent history. If you personally know of any students, teachers, or schools interested in participating please contact any one of us on the Youth Committee and we'll get you the appropriate applications for your students. You can also go online on the VFW National website and download applications from there as well. The deadline for the contests is four months away, October 31, but has a habit of rapidly approaching while we are distracted by everyone's summer activities. Help us out if you can by recruiting students, teachers and schools for us.

Currently all else is quiet with committee activities. All of our JROTC and Civil Air Patrol awards were given out earlier in the spring. We still need to present a Post and District award to our Scout of the Year winner Eagle Scout Megan Staton from this year. Unfortunately, as with many of our other award ceremonies, Megan's award had to be postponed and rescheduled as a result of COVID. We will attempt to recognize her at the August general membership meeting. She has been contacted. It is also a quiet period for our flag retirement ceremonies. We just had our last one in late May and our next scheduled ceremony will be at the Post on 9-11 and will be conducted by our very own Scout Troop and Cub Scout Pack 1372. I know Alex and Tina Bliem will have more specific information regarding summer Scout activities and will elaborate on them in their report. I do

know that the Scouts will be busy with kayak trips and also summer camp at the end of July at Camp Goshen in Goshen, VA (near Lexington). Eagle Scout Joey Bliem will be recognized for attaining his Eagle rank during Troop 1372's Court of Honor on 14 August. We are all very proud of him but I defer to Alex and Tina for more specific information regarding the ceremony. [See Page 10 — Ed]

That's about all the news I have for you for this month. There will be a lot more to talk about next time when our youth contests really ramp up and we get busier. Please join us with our programs. We could certainly use your help and our kids really appreciate it as well. Our next meeting is scheduled for Thursday, 22 July live at the Post at 7:00 PM. Good riddance COVID and good riddance Zoom!

With best regards,  
Lou Filippone  
Youth Committee Chair

## Scammers Impersonating the Government

Scammers often disguise themselves as people working for the government and might pretend to offer help. But, really, they're after your money or personal information.

Government imposters may call to "verify your Social Security number," or say your Social Security number or Medicare benefits have been "suspended" due to a mix-up. Scammers may say your tax returns must be done differently because of a name change — and they need your Social Security number to fix it. For recently married people, or someone going through gender reassignment and a name change, the excuses scammers use might make sense. But wait right there. Scammers are just phishing for personal information they can use to steal your identity or take your money.

So how do you spot it and stop it? Here's what to know:

- **Scammers call, email, or text you for money or information.** But the government won't. Anyone who calls, emails, or texts, asking for money or personal information and claims to be from the government is a scammer. Hang up and don't respond to messages.
- **Scammers tell you how to pay — usually by wiring money, cryptocurrency, or gift card.** Nobody legit will ever tell you to pay in any of those ways. If they call, hang up the phone. If they email, text, or message you, don't click on any links. It's a scam.
- **Even if your caller ID says it's from the government, it could be a scam.** Caller ID can be faked. Even if it shows the government agency's real phone number, or even if it says something like "Social Security Administration," it could be anyone calling from anywhere in the world. Don't trust it. If you spot a government imposter, tell the FTC at [Report-Fraud.ftc.gov](https://www.ftc.gov).

## Report on Scouting

**Alex & Tina Bliem**  
**Post 7589 Scouting**  
**Representatives**

This month the Scouts enjoyed more outdoor time with each other. With vaccinations going to younger people, more and more Scouts can get together outside without masks and actually see each other again.

This month a group of Scouts and adults got together on the Shenandoah River and enjoyed a day kayaking. We paddled roughly 12 miles up the river. This was a fun outing but also a practice run for the week-long whitewater kayaking trip that we are getting ready for. We will be heading to the New River Gorge in West Virginia. This is a trip I have been planning quite a while now since the canoe trip to Canada was canceled twice because of Covid.

Scouts and adults are also starting preparations for summer camp in July. This year they are going to Goshen Scout Reservation in southwestern Virginia. Camps are back on again this year with Covid precautions being implemented. This should be a fun trip for them to get outside for an entire week and have fun again.

Some Scouts began the Veterinary Medicine merit badge this past month. Some Scouts also either earned or started the rifle shooting and shotgun merit badge. A small group also started the coin collecting merit badge.

There were also a couple of service projects that occurred this month. The Scouts again cleaned up the Signal View Drive Road. Another project was to create a story walk for the Manassas Park Library where the Generals Ridge golf course used to be. The director asked the scouting unit if they could help create something fun for the young ones to do on the walking trail.

More to come next month after some fun camping trips.

Thank you,  
Alex and Tina Bliem

## Commissioner's Corner

In today's fast-paced world, education is the key to success. This is true whether on active military duty or transitioning to a new career in the civilian world. This is why helping veterans, their spouses and their families' access their educational benefits is such an important part of what we do here at the Virginia Department of Veterans Services.

As World War II was winding down in 1944, President Roosevelt and the U.S. Congress passed the Servicemen's Readjustment Act or as it quickly became known, "the G.I. Bill." Seventy-seven years later, the G.I. Bill continues to be an important benefit for all who served in our armed forces.

Here at VDVS, we work closely with the U.S. Department of Veterans Affairs (VA), with colleges and trade schools, and with individual veterans to help them use the financial assistance they have earned to continue their education after leaving active duty.

You may not realize that our State Approval Agency (SAA) for Veterans Education and Training is tasked by the VA to examine and approve educational and training institutions in Virginia where GI Bill funds may be utilized. This process assures such institutions meet the qualifications and standards set by the VA. Only those institutions that meet these strenuous requirements are approved by the SAA staff.

VDVS also works closely with the State Council of Higher Education for Virginia (SCHEV) with our staff members acting as advisors to its Military Education Advisory Committee. This Committee, which includes representatives from most of Virginia's two-year and four-year public colleges and universities, is tasked to implement and monitor military-related education policies at state educational institutions. The ultimate goal is assuring that these policies are military and veteran-friendly and comply with GI Bill and other regulations.

Our Virginia Military Survivors and Dependents Education Program (VMSDEP) provides educational benefits to spouses and children of service members killed, missing in action, taken prisoner or who have been rated by the VA as totally and permanently disabled or at least 90% permanently disabled as the result of military service. VDVS manages this program in collaboration with SCHEV and the Commonwealth's public colleges and universities to assist qualified spouses and children receive assistance to attain their educational goals.

This April, our VDVS Military Workforce Initiative partnered with the Virginia Community College System (VCCS) on the Veterans Technology Project to distribute free refurbished laptop computers to qualified student veterans and military spouses attending John Tyler and Reynolds Community Colleges. VDVS worked with the Virginia Veterans Services Foundation and Altria to provide the funds to purchase 125 laptops for this important project.

I would be remiss if I did not mention another important educational program that is part of VDVS – our Virginia War Memorial. Through its mission of honoring our military heroes, the Memorial also educates students and the public about these heroes and Virginia military history through its exhibits, programs, documentary films, seminars and more.

As I conclude this month's column, I want to bring attention to another important anniversary that takes place this month. In June 1948, President Truman signed The Women's Armed Services Integration Act granting women the right to serve as permanent, regular members of the Army, Navy, Marine Corps and Air Force. Today, seven decades later, it is hard to imagine any of our armed services existing without our brave and talented women service members.

Thank you for your interest in Virginia's veterans. Please contact our staff members and me with your ideas, suggestions and comments on how we can more effectively serve veterans, family members, and active duty military spouses.

Thank you and have a pleasant summer.
