Commander's Message

Pete MacLeod

On a recent hot September morning I visited the brand new Virginia Department of Veteran's Services Office in Manassas. After Va. Governor Terry McAuliffe and just about every politician in the area visited this

new facility, I decided I had better see what all the "buzz" is about.

It is impressive physically and even more impressive are the people who work there. Rather than give you a laundry list of services, I would just say that if you are a veteran with virtually any kind of question or problem, this office can help you immediately without a number of forms being filled out. If they can't help, they will quickly refer you to someone who can.

The new Manassas DVS office

Here are the basics; The office is staffed by 4 people and is open Monday – Friday, from 8:00am to 4:30pm. The address is 9300 West Courthouse Road, Suite 305, Manassas, Va. 20110. You can just walk in or you can call ahead for an appointment at 703-479-7437. The Veteran's specialists who will be helping you all have their own phone numbers and email addresses.

The simple directions are: Go west from Old Town Manassas on Rt. 28, pass the

cemetery and Harley Davidson store on your left. Turn onto Courthouse Road and you will immediately see a new office building on your left, that is 9300 Courthouse Road. There is plenty of parking at the building. Go inside and take the elevator to Suite 305. You will be greeted by a modern office and friendly, helpful people who are trained and dedicated at helping veterans. They seem genuinely happy to see you. You will not see "Oh no, not another customer" looks.

On my visit, I spoke first to Veteran's Service Representative Bradley Heath. He is a veteran. He said something very interesting about medical claims. He talked about the "golden" first year you leave the service. He said the VA assumes any medical problem you have that year is service related. There is a huge computer screen on his desk and he told me he once received a call from a veteran who thought

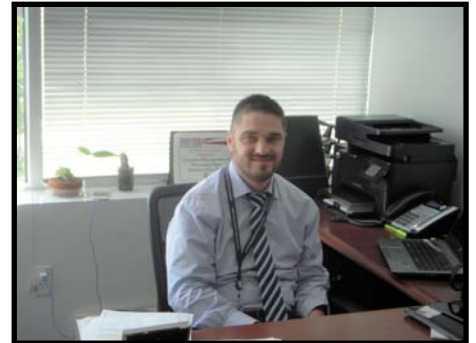

DVS representative Bradley Heath

his DD-214 had been lost in that St. Louis fire years ago. Brad said he found it and brought it up on his computer. Now I am not saying Brad is going to have that kind of success all the time but the point is these guys have the connections and resources right in that office to solve problems and answer questions.

Next, I spoke with Caleb Johnson, a Veteran's Service Representative who specializes in veteran's family issues and he also looks into reports of "homeless veterans" and substance abuse issues. He also helps with transportation issues for veterans. He is working now with a veteran's peer group in Fairfax. He says housing and jobs are the big concerns of the young Iraq and Afghanistan combat veterans he works with who just left the service.

There are 28 of these State Veteran's Service offices in Virginia. Manassas is lucky to be the host for one. It is no longer nec-

DVS representative Caleb Johnson

essary to battle the mind bending DC traffic or go on a journey to West Virginia or to a military base for information. There is a good chance you can find it right here.

Auxiliary President

July 1st was the start of the new Auxiliary year and it looks like we have a lot of programs we will be working on. I just returned from the Department Council of Administration and School of Instruction in Mechanicsville, VA which was held on September 26th. It was well attended and everyone was able to get into the new National systems MALTA. We are excited for the new ideas that Department President, Linda Bond has implemented for the coming year.

Please keep September 8th & 9th on your calendar for the Auxiliary annual fall yard sale. We will be setting up the Hall on Friday, September 8th from 4pm-8pm and our Yard Sale will be September 9th from 7am-2pm. We have been getting a lot of donations and we thank you. We really appreciate all you do for the VFW organization and this Auxiliary. Hope to see you at our Yard Sale.

September is Military Suicide Awareness month. If you know if anyone who needs assistance, please call the Crisis line at 1/800/273-8255 or text 838255 and someone will assist you. On Friday, September 15th, POW/MIA Recognition Day will be held at the American Legion Post 10. The ceremony will start at 8pm at 9950 Cockrell Rd, Manassas, VA. The flag retirement ceremony will be Saturday, September 16th at 9am with assistance from Cub Scout Pack 1355. Please join us for this event.

We are partnering with Wreaths Across America (WAA) again this year, for another fundraiser. This not-for-profit organization has provided us the opportunity to

raise funds to assist in our mission for veterans and their families. The date of the event is December 16, 2017 at Quantico National Cemetery. Please assist us in our fundraiser by purchasing a wreath sponsorship. The sponsorships are \$15 per wreath and the sponsorship forms can be printed from our website at www.vfw7589.org or contact Ginger Harvey at 571/285-6243 or gch1130@aol.com. To learn more about WAA or to pay for your sponsorship with a credit card, please visit www.wreathscrossamerica.com and remember to include our **Sponsoring Group ID No. VA0040P and Cemetery ID No. VAQNCT. DEADLINE is November 30, 2017.**

The Auxiliary monthly meeting is the first Monday of each month but since Labor Day falls on that meeting date, September 4th, the Auxiliary will be meeting the following Monday, September 11th, at 7:30 pm at the Post home in the conference room. Please join us. We will be distributing the Memorial Buddy Poppy in remembrance of Patriots' Day, September 11th. If you would like to have some of these special Memorial Buddy Poppies to distribute, please let any member know. We distribute these special Poppies to the public without seeking donations.

Our Post and Auxiliary will be participating in the Manassas Fall Jubilee again this year on Saturday, October 7, 2017 from 10:00am – 5:00pm. This annual event gives us the opportunity to meet the public and distribute information about our organization and programs. We will have items for the children and see if they know the Pledge of Allegiance. Please contact me 703/361-8950 or mcorkhill@comcast.net to let me know your availability to assist in helping at the booth.

The new National system MALTA is a great tool for the members to pay their dues. All you have to do is log into the National website under member login and pay your dues. National is requesting that every member go online and update or make sure your personal information is correct. If you need assistance, please let the Auxiliary Treasurer, Elanor Doczi at 571/33-5457, know and she or I will assist you. If you **do not** have access to the internet, please call us and we will assist you.

The National President's 5th Annual Celebrating America's Freedom Event (CAFÉ) is on Thursday, October 19, 2017 at the Yorktown Battlefield, Yorktown, Virginia. It is also known as Yorktown Day and the ceremony starts at 10am. The forms with prices are located on the National website at: <https://vfwauxiliary.org/celebrating-americas-freedom>. As a reminder, the deadline for all entries is 31 October 2017. Some schools have not responded due to the summer vacation schedule. We should hear from these few schools now that school is back in session.

There will first be an educational block of instruction about flag history and etiquette from Jean MacLeod followed by the actual flag retirement in the parking lot. All interested members are encouraged to attend.

Lastly, the Youth Committee is looking forward to participating in the Manassas Fall Jubilee in Old Town Manassas on Saturday, 7 October 2017 from 8AM until 5PM. This will be a wonderful opportunity to interact with the local youth, hand out some essay contest applications, and distribute Halloween bags. It also affords us an opportunity to recruit new VFW and Auxiliary members for our Post. This event should be attended by everyone who can participate from our Post and Auxiliary because of the fantastic community exposure and good will it generates.

As always, all of those interested in joining the Youth Committee are encouraged to do so. Please contact Commander Peter MacLeod, myself, Auxiliary President Mary Corkhill, or Comrade Roger Nicol if you are interested. The next Youth Committee meeting is scheduled for Thursday, 21 September 2017 at 7PM at the Post. Please join us.

President Approves New Global War On Terrorism Memorial

VFW members are driving force behind its creation

WASHINGTON (Aug. 21, 2017) — The national commander of the Veterans of Foreign Wars of the United States is saluting President Trump for signing the VFW-supported *Global War on Terrorism Memorial Act* into law late Friday. The signing now clears the way for the GWOT Memorial Foundation to work with the National Capital Memorial Advisory Commission to secure federal approval for acreage on the National Mall, as well as coordinate a national competition for the memorial’s design. It also exempts the GWOT Memorial from a provision in the *Commemorative Works Act of 1986* that requires Congress to wait 10 years after the official end of a military conflict before considering a war memorial in the nation’s capital.

“Sixteen years ago, no one would have thought it possible for America to fight a nonstop, multi-front war for so long with just an all-volunteer force,” said VFW National Commander Keith Harman, who served in Vietnam as a UH-1 Huey helicopter crew chief and door gunner. “That we have — that they have — and continue to do so magnificently, is a testament not only to this generation’s patriotism but of their character, as well. The VFW is very proud to support this memorial, and we are extremely proud that VFW members are the driving force behind its creation.”

...

“This historic signing is dedicated to our 3 million brothers and sisters who have deployed in the Global War on Terror, especially to the ones we have lost, and those who face great obstacles since their return home,” said Brennan, a West Point graduate, who served in Afghanistan as a UH-60 Black Hawk helicopter pilot. “I’m very proud of the VFW’s early support, and when the time comes, I look forward to a significant presence at the memorial’s groundbreaking and its grand opening, hopefully alongside our nation’s other war memorials.”

Become a VFW Life Member

Why should you become a life member? Good question.

The best reason is you will never again have to be concerned with annual renewals. Also it is a cost effective way to maximize your dues money. For example an annual member 41 years old will pay \$35.00 a year and assuming there are no further dues increases will reach the break even point in 11 years. At age 52. From that point on there will be no more dues payments but the Post will continue to receive annual life member payment from National for the rest of the member’s life.

Lets assume the member choses not to become a life member and reaches the age of 90 and is still going strong. At 90 years of age there would have been a total of \$1435 in dues paid.

Think about it; pay a little now and be done with dues forever.

There are two options: a one time payment or a one year installment plan, both of which are detailed below. Please contact Quartermaster Rick Raskin if you are interested.

Age as of December 31	One-Time Payment	INSTALLMENT PLAN	
		Initial Payment	11 payments of
through age 30	\$425	\$45	\$38.64
31 – 40	\$410	\$45	\$37.27
41 – 50	\$375	\$45	\$34.09
51 – 60	\$335	\$45	\$30.45
61 – 70	\$295	\$45	\$26.36
71 – 80	\$225	\$45	\$20.45
81 and over	\$170	\$45	\$15.45

Legacy Life Membership

This prestigious program is available to all Life Members. Three levels of membership each offer their own package of exclusive member benefits. Financial contributions to the Legacy Life Member program are tax deductible to the maximum extent allowed by law.

Enrollment Cost	VFW Store Discount	Annual Payouts

The Above is a Scam!!!

VFW's New Organizational Structure

Organizational structure plays a significant role in how well we collectively accomplish our goals. The structure of an organization can greatly influence many areas such as; employee morale, communication, decision-making, efficiency and lines of authority.

In a traditional corporate organization, the VFW Commander-in-Chief would be akin to the Chairman of the Board. The CIC or Chairman, reports to the Board of Directors and Stock Holders. Translated they would be our National Council Members and our VFW membership (as represented by convention delegates).

Recently, the Commander-in-Chief has announced some changes and reporting realignments within our organizational structure. The Quartermaster General (Chief Financial Officer), and several departments have been realigned to now report to the Adjutant General (Chief Executive Officer). This revised organizational chart is the culmination of years of discussion and planning by several past

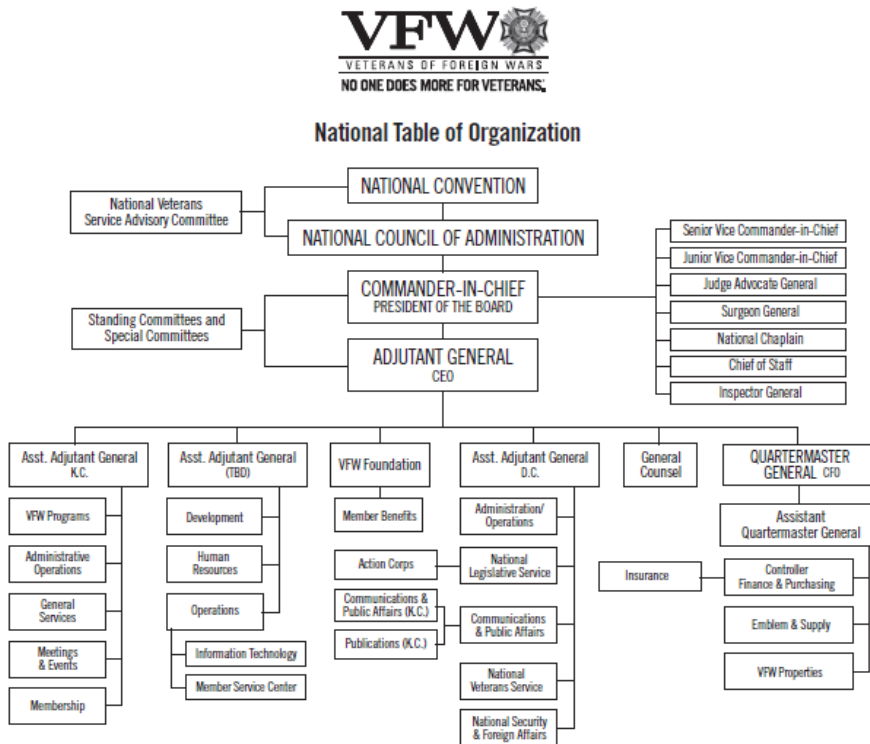

Adjutant and Quartermaster Generals.

This new organizational structure creates a more streamlined and efficient process for decision-making, allowing us to be more nimble and effective - which ultimately means we can better serve our members and those who turn to the VFW for assistance.

This new structure not only brings us in closer alignment with our bylaws, but with proven, successful organizational structures of those used by Fortune 500 companies and other large nonprofit organizations that have already adopted this model, and benefited from it.

Essentially, this organizational model creates a more cohesive and united VFW - rather than having two, distinct chains of command with problematic hierarchical relationships, we're moving toward a system that can arrive at answers and make decisions more quickly ... one that eliminates gridlock and gets us to the work of the organization.
