## Commander's Message

**Wayne Moore**

Comrades,

The VFW in July snapped our 27 Year Decline in Membership.

The Past National Commander has outlined a list of outreach and social media inclusions that detail the relevance of our Programs and services needed just as much now as they were then.

I would like to add that the dedication and membership commitment of bringing the message that you, our veterans, deserve the best this organization has to offer and that you, our members, acted accordingly throughout the year to help deliver that message.

It is important to recognize our achievement but not waiver in our effort to face the new challenge/milestone. Our actions in recruiting the younger veterans must be with clarity and conciseness regarding near- and long-term benefits to their membership and personal participation wherever and whenever possible.

KANSAS CITY, Mo. – The 120-year-young Veterans of Foreign Wars of the United States just added almost 25,000 members to snap a 27-year decline in membership.

America's largest and oldest war veterans' organization began its new membership year earlier this [June] with almost 1.165 million members, a million less than its peak in 1992, yet significant nonetheless, according to [Past] VFW National Commander B.J. Lawrence, who attributes the growth to the organization being more visible on the national scene as well as in more than 6,000 communities in all 50 states, the District of Columbia, four U.S. territories, and 11 foreign countries.

"The VFW is making a difference in the lives of countless others every day, and thanks to the power of social media and the internet, more people are taking notice and wanting to be part of our team," said Lawrence.

"The internet allows us to share our story of service to others, and social media allows us to engage not only with our members but with potential members, advocates and their families," he explained. "More people are learning about VFW's service work, which last year helped 526,000 veterans and transitioning service members to recoup more than \$8.3 billion in disability compensation from the Department of Veterans Affairs. They are learning about VFW's legislative advocacy, which directly benefits all 22 million veterans and military service members, and which has produced the Forever G.I. Bill for our newest generation of warriors, the Blue Water Navy Act for Vietnam veterans, and will soon eliminate the 'Widow's Tax' that is financially penalizing some 65,000 surviving family members of all generations. And they are learning about VFW programs,

## Auxiliary

**Mary Corkhill**

It is with a heavy heart I must inform you that the Department President Marcia Semones' son Mark passed on August 13 from injuries he sustained in a work accident. Please send cards to Madam President Marcia at the following address: 848 Silverleaf Drive, Dugspur, VA 24325. Please keep Marcia and her family in your prayers.

As a trustee to the VFW National Home for Children, Ms. Darlene Mays-Tittman fell at a rest area when she was returning home from the National Convention. She broke her femur above her knee implant. You may send cards to Ms. Darlene in care of Ms. Dee Guillory, 7984 Croydon Ln. Gloucester, VA 23061. Please keep her in your prayers as well.

The Department Council of Administration and School of Instruction for the District President and Deputy Chief of Staff was held at the Department VFW Headquarters in Staunton, VA on August 17<sup>th</sup>. The National Chaplain Jane Reape (from New York) was in attendance. We were excited to learn what Department President, Marcia Semones, has in store for the coming year. On August 18<sup>th</sup>, the 8<sup>th</sup> District meeting was held at the Fredericksburg Post 3103. The Auxiliary District representative was Department Sr. Vice Maggie Myers.

The Auxiliary monthly meetings always meet on the first Monday of each month but since Labor Day falls on that meeting date, September 2<sup>nd</sup>, the Auxiliary will be meeting the following Monday, September 9<sup>th</sup> at 7:30 pm at the Post conference room. Our 8th District President Kathlene Bilger will be joining us to do her annual inspection.

The Auxiliary is now passing out the National VFW Auxiliary's symbol **Blue Teardrop** for the **Military Suicide Awareness**. Each day an estimated 22 veterans commit suicide and you can help lower this number and make a difference in the life of a veteran or service member in crisis by educating yourself and others about the warning signs of suicide. The Veterans Crisis Line is staffed 24 hours a day, 7 days a week, 365 days a year. If you know anyone who needs assistance, please have them call the Crisis Line at 1- 800-273-8255 press 1, a text can be sent to 838255 or website [www.veteranscrisisline.net](http://www.veteranscrisisline.net) and someone will assist them.

September 11<sup>th</sup> is **Patriots Day**, an annual observance to remember those who were injured or died during the terrorist attacks on the United States in 2001. We will be distributing the Memorial Buddy Poppy on that date. If you would like to have some of these special poppies to distribute, please let any member know. National **POW/MIA Recognition Day** will be held at American Legion Post 10, 9950 Cockrell Rd, Manassas, VA on Friday, September 20<sup>th</sup> at 8:00pm.

*(Auxiliary President Continued on page 3)*

*(Commander Continued from page 2)*

which range from volunteerism, youth scholarship competitions and student veteran scholarships to financial grants and military unit sponsorships," he said.

"The VFW is all about service to others," said Lawrence. "That's what our founders envisioned when they birthed the organization in 1899, and that's what they made a certainty in 1919 when the VFW became the first veterans' organization to open an office in our nation's capital to petition our government for veterans' rights and to ensure our government delivered. The decision to open the VFW Washington Office one century ago this year was the direct result of World War I veterans returning to the same government neglect as VFW's founders encountered two decades earlier.

"Thanks to a robust membership and a 120-year relevance that spans generations, the VFW will continue to make a difference in the lives of others every day.

*(Auxiliary President continued from page 2)*

I would like to thank the Bingo community for their assistance in collecting non-perishable items for the veterans in our area. They receive a free bingo half-book per day when they bring in three items. We will be doing this food drive until December 18<sup>th</sup>. If you have any questions, please let me know. Thanks!!!

Our annual fundraiser for Wreaths Across America (WAA) is under way. We are requesting your support and participation for this not-for profit organization. The VFW National Home for Children is located in Eaton Rapids, MI on 472 acres of land known as Grand River Stock Farm. Today's military and veteran families face different challenges - reintegration, post-traumatic stress, high unemployment and rehabilitation from battlefield injuries, among others. The National Home recognizes that the effects of war can last for generations. If you wish to become a Life Member to the National Home, please forward your application and \$50.00 to the VFW National Home for Children, 3573 S. Waverly Rd, Eaton Rapids, MI 43327. Thank you in advance.

Please keep any individuals or family members who are ill or hospitalized in your prayers. We want to see you on the road to recovery. If you know of anyone who needs our assistance, please let us know.

## Youth News & Notes

**Lou Filippone**

The Youth Committee extends a big welcome to all comrades and Auxiliary members. We had a busy month of August planning activities for our Scout and Youth Programs. We held our last meeting on Thursday, 15 August at the Post. Those in attendance were Alex and Tina Bliem, Paul Chase, Auxiliary President Mary Corkhill, Peter MacLeod, Roger Nicol and me.

Our first order of business was the distribution of applications for our Patriot's Pen, Voice of Democracy and Teachers of the Year contests. Several hundred applications were ordered by me from the VFW Store and were received in mid-August. If any of our regular members know of any schools, students and teachers interested in participating in our programs please contact me directly and I will provide you with all the applications you need. We are currently contacting school administrations in our area via emails, telephone calls and school visitations in order to recruit applicants for our programs. In addition, we have communicated with several JROTC Departments at local area high schools in pursuit of more teachers and students. We are hopeful we will have good results with our recruitment and will really be up to full speed in September when the schools are back from summer vacation and in full swing. If we make contact too early the schools close for summer vacation and forget about us especially if personnel changes occur then our energies are wasted. If we wait too long after schools resume, then we run the risk of shortening our students and teachers on the time to properly administer the contests. The Post deadline for all three contests is 31 October and the applicants should really be recruited no later than six to eight weeks before this deadline. Currently we are contacting over 18 middle schools, 12 high schools, three home school organizations and I personally recruit teachers and students from my orthodontic offices in Gainesville and Centreville. The more schools and teachers we contact the better the participation rate for our programs.

Each year our Post gives out approximately \$2,400 in prizes for our essay contests. This does not include our Scout of the Year program in March 2020. We have a very robust youth program at our Post and are determined to grow it every year with continued recruitment and success. The Youth Committee works very hard to accomplish this and would certainly welcome more participation from additional members. Please join us at the next meeting and lend us a hand. The rewards you will receive from mentoring and instilling patriotism in our youth are immeasurable. Remember the theme for this year's Patriot's Pen and Voice of Democracy contests is "What Makes America Great". How patriotic is that!

Just a final reminder about the previously mentioned Scouting events. There are two scheduled for the month of September. They are the Scout Flag Retirement Ceremony scheduled on

Wednesday, 11 September at 7:00 PM and the Scout Pizza Party and Court of Honor set for Monday, 23 September at 6:00 PM. Both events will be held at the Post. If you would like to attend either of these events, please let me know.

Our next Youth Committee meeting will be held on an alternate night due to a scheduling conflict. We will be meeting at the Post on a Tuesday night instead of our usual Thursday for just the month of September. The meeting date is Tuesday, 17 September at 7:00 PM. We hope to see you there. In the meantime, stay well and work hard for veterans.

With best regards,  
Lou Filippone  
Youth Committee Chair
